Subject: A.19-10-012: Ruling Modifying Procedural Schedule and Resetting
Evidentiary Hearing Dates

On Monday April 6, 2020 a telephonic status conference was held in the instant proceeding to discuss the procedural schedule set in the February 6, 2020 Scoping Memo and Ruling (Scoping Memo). Since the issuance of the Scoping Memo, Californians have been issued shelter-in-place and social-distancing

directives from both the state and federal government in response to the COVID-19 pandemic. Considering these developments, the evidentiary hearings originally scheduled for June 25 to July 2, 2020 are reset to August 3-7, 2020. In addition to changing dates for evidentiary hearings, the modified procedural schedule gives parties more time to prepare testimony, and work toward finding remote or web-access options for both the Technical Workshop and Community Meeting. San Diego Gas & Electric Company shall work collaboratively with parties and the Commission's Energy Division to secure a date for both the technical workshop and community meeting to occur remotely. While the original intent was to have both events take place before intervenor testimony, we remain flexible to address timing concerns as the date for intervenor testimony approaches.

The schedule set in the February 6, 2020 Scoping Memo is hereby modified to the procedural schedule in today's ruling.

Event	Date
Technical Workshop / Conference	Date to be determined, remote participation only
Community Meeting	Date to be determined, remote participation only
Intervenors' prepared direct testimony served	May 18, 2020
Prepared rebuttal testimony served	June 19, 2020
Evidentiary hearings	August 3 to August 7, 2020 Commission Courtroom, State Office Building 505 Van Ness Avenue San Francisco, California 94102
Opening briefs	6 weeks from the end of hearings
Reply briefs [matter submitted]	4 weeks from opening briefs
Proposed decision	[no later than 90 days after submission]
Commission decision	[no sooner than 30 days after the proposed decision]

IT IS SO RULED.

The Docket Office Shall Formally File this Ruling.
